

We've carefully curated a selection of exceptional wines for your enjoyment, ranging from approachable to aspirational, featuring not only the best of the Hunter Valley but also outstanding wines from around the world.

As a tribute to our deep appreciation for the Hunter Valley, we've sourced some of the finest wines this renowned region has to offer. The Hunter Valley, with a winemaking history dating back to the 1820s, is Australia's oldest wine region. Known for its unique climate and rich soils, it produces some of the world's best Semillon, Shiraz, and Chardonnay, thanks to generations of skilled vintners.

Our wine list invites you on a journey through the heart of the Hunter Valley, showcasing both well-established icons and rising stars of the region. You'll discover hand-crafted, minimal intervention wines from producers both large and small, each representing the region's vibrant winemaking heritage.

Feel free to explore our wine cellar whilst you're here.

Cheers!
